ARCHITECT'S DRAWING of new Granite City Township office building and senior citizen center to be built at 21st Street and Delmar Avenue at an estimated cost of \$825,000. Bids to build the structure

have been called by the Town Board for 4:30 p.m. Dec. 14. The building, designed by Architect Henry Gabriel, will be financed entirely from the township's federal revenue sharing funds and will

require no direct local-level tax expenditures. Supervisor Nelson Hagnauer reports. Construction is expected to take 18 months.

Town hall bids sought

Granite City aldermen convened as the Town Board, approved Tuesday night a call for bids for construction of a new township office building and senior citizen center at

21st Street and Delmar Avenue. A recommendation by Henry Gabriel, architect for the project, has been filed as the bid call date. The bids will be opened at 4:30 p.m. in

the office of City Clerk Robert Stevens who also serves as town clerk.

Gabriel told the Press-Record after the meeting that construction hopefully will get under way early in January, assuming the bid call date is the cover date. The board received four offers within the cost estimate.

In urging the aldermen to set an early bid date, Gabriel told the Town Board members that opening of the bids on Dec. 14 will give the building committee an opportunity to compute the bid offerings in time to award a contract in the board's Dec. 21 meeting.

Submitting detailed working plans for the board's inspection during the construction process which preceded the regular City Council meeting, Gabriel said the estimated cost of the

sewer line explained.

He said the street department's only is repairing pumps and wastewater equipment, and will attempt to deviate areas when necessary to effect replacement of the line.

It is possible sections of the sewer could be as much as three feet below the water table, which will necessitate sinking numerous well-pointing wells around the work area and pumping to pull enough water out of the ground to lower the

structure as now planned is \$825,000.

He said that the building is so

designed that it could be built for less money, if necessary, by reducing the auditorium to a

size accommodating 300 per sons.

Process city fund request

An application by Granite City for a grant of \$1.6 million under the Public Works Development Act for construction of a combined firehouse and headquarters, jail and city hall is being processed by the Economic Development Administration, the Granite City Council was informed in regular meeting Tuesday night.

The request for a \$1.6 million grant for the proposed project, which will replace previous plans to seek a grant of \$600,000 for a new city hall building, \$600,000 for a new

Kerch 'Tree of Lights' chairman

Richard "Dick" Kerch, vice-president of R-Direc. Electrical Co., has been named chairman of the annual Salvation Army Christmas campaign. It was announced by Lt. Col. Steve Barash, chairman of the advisory committee to the Salvation Army.

"We will kick off our drive

7 p.m. Friday, Nov. 25, at our

store which will be located this year in the Nameoki Village Shopping Center," Kerch said.

"Our goal this year is \$25,000, which is about a 10 per cent increase over last year. We

again have many civic clubs,

church groups and other

organizations helping us with

our tree and bell ringing at

various locations throughout the area.

"Many things like in-

creases to our drives which are very much appreciated, not

only by the Salvation Army but

by the hundreds of people

here that come to Christmas

Sewer line replacement

The Granite City Street Department Monday began the largest sewer line replacement project in the city's history, hoping to replace the entire 15-inch sewer line along the Nameoki River from Pontoon and Clark avenues south to 21st Avenue, a distance of one-half mile.

Much of the work will take place under the ground, and extensive detours may be required to complete the project. Lionel Portell, superintendent of streets for

Granite City, explained.

He said the street department's

main task is repairing pumps and wastewater equipment, and will attempt to deviate areas when necessary to effect replacement of the line.

CHRISTMAS PARTY PLANNING CLASS

The Pheasant Class of Calvary Baptist Church had a regular meeting at the church last week. Roll call was answered with Bible verses.

The class was singing in unison, followed with a devotional by Ruth Connors. Mrs. Rushing led the group in prayer.

Plans were completed for a Christmas party in December, and a donation made to the Lottie Moon offering. Choruses were sung and the dismissal prayer was by Nell Mongomery.

Jim Green of Peoria and son, Jay and Marphysine, and Mrs. Helen Gallo and Carbarette were guests of Mr. and Mrs. Roy Green of Pine Street.

J. W. YOUNG FUNERAL

Mr. and Mrs. William McKay of Lake Drive received word of the death of their cousin, James "William" "Bill" Young. Funeral services were held at the First Methodist Church in Marion, Ill. Others attending from here were cousin, Carl McKay, Mr. and Mrs. Glen Ashoff and son, Derek, and the Rev. Pat Fife of the Pontoon Baptist Church.

Central Methodist missions program

The Central Free Methodist Church located near Route 111 at 418 South St. in Pontoon Beach will celebrate a Fall Festival Missionary program, a five-week celebration of praise in the denomination's annual nationwide Festival of Praise, which began Nov. 7 and is to continue through Dec. 5. The local program opens today and will continue through Sunday.

Each nightly service will feature Rev. Carter Carter, a former pastor of the church when it was located in Granite City and in Madison. He will be the Bible teacher and will bring Biblical and evangelistic messages. Rev. Carter recently was granted full time evangelistic license for the Free Methodist Church.

The Missions that will be emphasized will be Haiti, Mexico, Africa and the United World Missions of the Free Methodist Church. Doris Carter, Carl Carter and the Women's Missionary Society will present missions.

Each evening at 7 special music will be presented. Saturday at 4 p.m. will be a special meal. At noon on Sunday, a Thanksgiving dinner will be served. The public is invited to all services.

MRS. WALKENBACH IS CLUB HOUSE CHAIR

Mrs. Theresa Walkenbach, 2821 Edwards St., entertained the Monday Afternoon Pinochle Club. Prizes were won by Mrs. Vi Edwards and Mrs. Margaret Klemm.

Also present was Madelines Leona Parente, Myrtle Bruns, Pauline Canham, Marvel Clover and Marie Perry.

The first official meeting of the Nameoki PTA opened Tuesday with a family pot luck dinner at 5:30 p.m. The meeting was called to order by Linda Givens, president presented to the school with principal Don Kapp accepting. American Legion and an 18x foot glass trophy case

was awarded \$10 for the greatest representation at the meeting. Corsages were given to room mothers and their helpers, Jo Ann Gaudin, June Brading, and Judy Hinterser for their work in planning and organizing the Nameoki Permanent Appreciation Breakfast on Wednesday.

Having completed a fund raising drive, the Nameoki PTA, presented awards to the outstanding salesmen. They were: first prize of \$15 to Elaina Heinig, second prize to Jay Rice, \$10 to third place to Sue East, John Boni and Jeff Parnell, and numerous certificates for above average sales. A special gift of appreciation was presented to Mr. Nightingale, auditor of the 1975-76 treasurers books.

President Kingston reminded all officers and committee chairmen to attend the executive board meeting Dec. 7. The Christmas PTA meeting will be December 21 and the next school roller skating party on today.

Special thanks was extended to Dona Lamp for the addition of a regular page in the newsletter. Mrs. Jackie Reinagel won the attendance prize, a fall floral arrangement from the florist and Bob's Florist.

Joyce Tracy, afternoons kindergartener, class was awarded \$10 for the greatest representation at the meeting. Corsages were given to room mothers and their helpers, Jo Ann Gaudin, June Brading, and Judy Hinterser for their work in planning and organizing the Nameoki Permanent Appreciation Breakfast on Wednesday.

The meeting was followed by singing of hymns by a newly organized Barbershop quartet under the direction of George Chapman, featuring Dennis Huntsdorfer, Harold Holmes, and Rich Pilch.

Past Matrons Club of New Hope Chapter, Order of the Eastern Star, were entertained in the home of Mrs. Sara Stephens with Mrs. Roberta Lester serving as hostess.

Dinner was served to the members followed by several games directed by the hostesses. Those winning prizes were Marie Hockstra, Ann L. Mueller, Marilyn Whiteworth, Charlotte Root, worthy matron of New Hope Chapter and a guest, Elizabeth Adams.

Plans were discussed for a Christmas party to be held on Dec. 21 in the home of Mrs. Stephens. Other members are invited. A gift exchange will be held and those planning on attending are to make reservations a week prior to the affair, it was noted.

Others attending were Bess Weiss, Thelma Jahnson, and Louise Cook.

Amvets Auxiliary donates to three veteran hospitals

A slide presentation of the Granite City Pre-School Center was shown by Mrs. Ruth Jensen at the Open House observance at Webster School, Monday night.

Room visitation was held from 7 to 9 p.m. following the regular meeting of the Amvets Auxiliary held at the Amvets Post 51, Lakeview Drive, last week.

Mrs. Ann Tucker received the special prize and refreshments were served after the meeting.

president, conducted the session. She introduced a guest, Debba Stock, the Worchid Scholarship winner, sponsored by Post 51.

The next district meeting will be held at Madison Post 204 on Jan. 9 and the auxiliary will hold its annual "Krazy Auction" on Dec. 1.

A variety of items will be on sale, including plants, books, Christmas gifts, antique elephant items and decorations.

A luncheon will be served at 11:30 a.m., but anyone may

attend the bazaar without attending the luncheon, a spokesman said. Reservations for the luncheon should be made by Wednesday, Nov. 24.

Nursery service will be available during the event.

Design planning proceeds for GC vocational center

Plans for construction of a permanent \$550,000 vocational center building at Granite City High School on North are proceeding on schedule, though it is doubtful the building actually will be constructed in the near future unless the

Economic Development Commission approves a grant for the construction, the Granite City Board of Education was previously informed.

Tully A. Heubner, director of business affairs for the school district, told the board the

\$550,000 grant application was returned to the district for minor revisions to be made and noted. Revisions have been completed and the application returned to the EDC for further consideration.

Heubner said he feels the

school district's application is among the high priority projects being considered by the EDC. It is suggested the board continue its planning at that time to meet the grant requirement that construction begin within 90 days of the grant approval.

The district will expend about \$27,000 in designing the building and preparing construction drawings, but Superintendent of Schools W. J. Davis has indicated that amount will not be wasted, even if the grant is denied. "We will still have the

plans for a vocational building we can use at any time," he said.

At Tuesday night's meeting, the board approved the floor plan for the building and voted to have the architect, Mr. Henry Gabriel, continue with the

GRANITE CITY PRESS-RECORD

working drawings until final word on the grant application is heard.

The administration was instructed to allow Gabriel to continue with the planning work, but to notify him to discontinue the work if word of grant denial is received.

The board first planned to construct a pre-engineered

metal building for an automotive shop at North, but decided to try for a permanent vocational shop building when it heard of the possibility of an EDC grant.

The permanent building will have a hardware shop and body shops for automobiles as well as other shops for air conditioning repair, metals, and other vocational fields.

The board Tuesday night also voted to approve a request from the Granite City High School Booster Club to sell the club portable classrooms for \$1,000.

The use of a concession stand, restrooms and a press box at the baseball and soccer fields are envisioned.

The board announced at its meeting that eight portable classrooms are being declared surplus and are to be sold by bidding.

So far, \$10,000 has been received with general funds and must be sold to the highest bidder, according to law, but two were constructed by the school district and may be disposed of at the board sees fit, its attorney, Bill Schooley, told the board members.

Frank Feigl of the South Boosters informed the board the buildings would be used in conjunction with a plan to improve the baseball and soccer fields at North. The buildings have been enclosed by chain-link fencing installed with funds raised by the Boosters.

Feigl explained one building would be used for the concession stand with 8 by 24 foot restrooms at each end. A concrete block building with a second portable building planned to be used for the pressbox.

The exterior of the concession stand would be bricked and it would be placed on a concrete slab.

Frank Feigl said the concession stand would be bricked and it would be placed on a concrete slab.

Board member George Moore Sr. asked Schooley if the district could sell the two buildings to the school for \$1 each and Schooley said he felt that would be legal, since the district owns both buildings.

The site portable classroom buildings, purchased with federal funds, must however, be sold to the highest responsible bidder, he told the board.

The proposal to use the two buildings by the South Boosters is to be considered at the board's next meeting, which was set for Dec. 14. There will be only one board meeting in December unless the EDC grant approval is received, which might necessitate calling a special meeting to sign the necessary motions.

The board also agreed to consider a request by the Granite City High School North Boosters for a sign facing Marye Road identifying the school.

"Many people think the building is a factory," Everett J. DeMott, North Boosters spokesman, told the board Tuesday night.

Xi Epsilon Chi Guest Night

Xi Epsilon Chi Chapter of Beta Sigma Phi Sorority hosted a guest night in the home of Mrs. Linda Koepig, 1508 Cottage Ave., Monday evening with Pauline Carolyn Goss and Carol Ellen Wilson attending as guests.

President Mrs. Carol Goss introduced the group of the Sorority City Council party for all chapter members set for Nov. 29 at St. John United Church of Christ.

The expense of the sorority programs and projects was given by Mrs. Koepig, Mrs. Cathay, Mrs. Barbara Hente and Mrs. Dolores Laube.

During the evening games were played and Mrs. Joan Pritchard won the evening award.

Others attending were Marilyn Lumpkins, Phyllis Kubela, Ivy Humphreys and Cathy Farnbach.

VISUAL SCREENING for color blindness is conducted at Parkview School as a feature of an open house program marking American Education Week. Delores Staecker, school nurse, seated, conducts the examinations. At the visual equipment is Deron Griffin while his sister, Jill, and his mother, Mrs. Joann Griffin await their turn. In the background, James Griffin is weighing his son, Dominic.

Santa to arrive Nov. 26

Santa Claus will arrive in the Quad Cities Friday morning, Nov. 26, to open the Christmas shopping season.

After a parade through Venice, Madison and Granite City, the jolly old man in red will take up occupancy in Santa's Cabin to greet youngsters.

Santa's Cabin will be located this year at 19th Street and Delmar Avenue in downtown Granite City.

Santa is scheduled to arrive in Venice about 9 a.m. the day before Thanksgiving, riding in "Bicentennial Truck" in keeping with the observance of the nation's 200th birthday. He will be accompanied by "Sgt. Otto," a Volkswagen that is made up as a policeman. Granite City Police Officer Friendly and two antique cars. A police escort will lead Santa's Cabin.

NEW LIONS HIGHWAY SIGNS were erected in Pontoon Beach early this week. From left are Jerry V. Henderson, past Lions club president at Pontoon Beach; Donald D. Patrick, current president thanking Frank Cramer of Dial-A-Pizza, where the club meets, for helping to pay for the signs, and Duane K. Skinner, club treasurer.

Pontoon Beach Lions erect welcome signs

The traditional highway welcome signs that are used by Lions Clubs across the country were erected on the main roads leading into Pontoon Beach early this week.

The signs were placed on the village boundary lines on the north and south ends of Highway 111 and on the eastern village boundary line on Pontoon Beach.

The signs serve as a Lions welcome to the community and indicate the name of the town plus the day, date and place where the local club holds regular meetings.

The Pontoon Beach Club meets on the first and third Thursday of each month at the Dial-A-Pizza Restaurant, 4066 Gaslight Walk, Pontoon Beach.

Lion Robert Carroll, club secretary, announced new

Hairdressers elect officers

Membership applications have been received from James Williams, owner of the Pontoon Beach Clark station; Frank Cramer, owner of Dial-A-Pizza; Donald D. Patrick, manager of Farmer's Market, and Harry A. Briggs Jr., a teacher at Namekagon School.

The club is planning a money-raising project during December.

DAV Auxiliary plans veterans party

The Disabled American Veterans Auxiliary will hold a party on Saturday at the Veteran's Hospital, Marion, Ill., at 1 p.m. The officers were present at the social meeting of the group on Tuesday night.

Those winning prizes in the evening games were: Sam Sengenberger, Barbara Milkton, Lene Kalipe, Louise Schleiff and Pat Macke. Also present was Pat Macke and Mrs. Milkton's daughter Debbie Lynn.

Other winners were: Jolene Prewell, Barbara Douglas, Joyce Kotoff, Naomi Gray, Dorothy Linn, Julie Ahring, Carol Law, Carla Hall, Phyllis Johnson, Linda Jones, Sally Roberts, Brenda Cant and Michael Hopke.

Mrs. Linda Noud, 36, dies

Mrs. Linda Louise Noud, 36, of 1904 Fifth St., a lifelong resident of Madison, died at 6 a.m. today of leukemia at the Wohl Hospital, St. Louis. She had been hospitalized for three months.

She was a member of St. Mary's Catholic Church and active in the St. Mary's PTA and with the Girl Scouts and Boy Scouts.

Theft charged

Kevin S. Szivasy, 18, of 2422 Belvoir St., was arrested at Charlie's Restaurant, Nameoki Road at Madison Avenue, at 1:30 a.m. Wednesday and was charged with theft.

A woman in the lounge alleged he entered the eat room and then left the restaurant. She checked and found her wallet and papers from her purse had been thrown on the floor and \$11 had been stolen.

She reported it to the management and the man alleged returned to the restaurant a few minutes later and was detained until police arrived.

Szivasy was released after posting \$25 bond.

Town hall

facilities and rest room. Gabriel said the main room, primarily will be used for senior citizen activities. Other parts of the building will provide township offices for the assessors and tax collector, supervisor, as well as offices for the special education program of the Granite City School district.

The building is to be constructed on the site of the old Central Junior High School which was donated to the township by the school district in 1968. The purpose of the new building is to provide space for the special education program for five years.

Neil Howell, a supervisor, said he is certain there will be ample funds available to build the new town hall at the maximum size as now designed. He said the township already has \$560,000 set aside for the project and the remainder will come from federal revenue sharing allotments during the next five years.

He noted that by using revenue sharing monies, the building will be constructed at no direct tax cost.

The town hall building was proposed by town officials in 1973 when an appropriation of \$22,000 was set aside out of the township's first allotments of federal revenue sharing money.

Since that time, additional allotments have been added to the fund over years.

Gabriel said the construction is expected to take about 18 months, with occupancy expected during the summer of 1978.

Faces 2 charges

Granite City police investigated a station wagon in the 2200 block of West 201 Street at 2:30 a.m. Wednesday and questioned the driver, Scots A. Howell, 18, of 2202 W. 20th St.

The two young women in the car

were cited for being in the car and was cited with illegal transportation of liquor. The two young women were released.

A police officer alleged while he was driving at West 20th Street and Missouri Avenue, Howell jumped out of the police car and was chased on foot by police and was tackled by an officer, striking his head on the pavement and suffering a cut over an eye. He also was charged with resisting arrest.

Sewers

water table below the working area.

Plans to replace the old sewer with a shallower sewer, above the water table, were abandoned because of difficulties reconnecting all the houses' sewers from Roger Avenue, problems of drilling a new channel under Johnson Road, and difficulties in meeting the twin 54-inch diameter mains under Jill Avenue, through which the closed sewer pipe flows.

Portell explained, "We have started at the bottom of 12 feet and the pipes now are under about six inches of ground water. 'We can go ahead and reconstruct the pipe, but there may be places where it is much deeper than that, and we will then just have to dewater before we can work,' Portell said.

He estimated the work could require three months to complete and will necessitate the street department hiring two to four additional employees for dewatering becoming necessary.

About one-half mile of underground pipe is to be replaced with the new pipe being run beside the old. The cost of the lateral tap-offs from homes will have to be transferred to the new sewer as the work progresses.

Pack 98 tours SIUE campus

The leaking sewer along the Nameoki Ditch was allowing raw sewage to seep into the ditch and cause the Illinois Environmental Protection Agency to order a moratorium on new developments in the area of the city served by that sewer, until the line could be replaced.

After dewatering is necessary, the project will mark the first time the Granite City Street Department has installed and operated dewatering equipment in the city. Dewatering has save quite a bit by not having an outside firm come in and set up the dewatering equipment for us," Portell said.

The two scouts were entertained on Monday night at the school by John Apperson, magician, who presented a special magic show.

Guests at the meeting were

members of Brownie Troop 43.

Cubmaster Bob Moore awarded Bobcat patches to the newly enrolled scouts and also presented a certificate of appreciation to Charles Sampson for recruiting the largest number of new members. Refreshments were served after the meeting by Mrs. Wilma Bowen.

Kerch served in Europe with the U.S. Air Force during World War II with the rank of major, and returned from the reserves in 1964.

Active in the Granite City Rotary Club, he served as that group's president in 1955-56. Kerch is an active member of the First United Presbyterian Church and serves on the Granite City Zoning Appeals Board.

The former director of the Tri-Cities Area Chamber of Commerce, Kerch presently is chairman of the Chamber's Highway, Traffic and Transportation Committee.

The mayor noted that the \$1.6 million grant, if approved, would provide 100 per cent funding for the jail, firehouse, police station and city hall at 3rd Street and Madison Avenue on city-owned property adjoining the fire station.

Originally the city planned to add a total amount of \$21,150,000 that would have included \$950,000 for a city hall, \$600,000 for a fire building, \$600,000 for a police station and \$600,000 for providing drainage for construction of a new roadway from West Madison Road leading along the railroad tracks behind Nameoki Shopping Center, to downtown Granite City.

Schuler said the city has several different projects.

The mayor noted that the \$1.6 million grant, if approved, would provide 100 per cent funding for the jail, firehouse, police station and city hall at 3rd Street and Madison Avenue on city-owned property adjoining the fire station.

The city now owns the property at 23rd Street and Madison Avenue, where the city's No. 1 fire station also is located, and therefore would have problems of acquiring a

new site for the fire station.

The council also received notice during Tuesday night's meeting that the U.S. Environmental Protection Agency is processing the final allotment of \$8,756,660 grant for construction of the secondary sewage treatment plant on the Army's installation grounds.

The city's allocation will

be \$42,610 and, when

paid, will make up 75 per cent

of the \$1,675,546. This constitutes EPA's full commitment to the project, Mayor Schuler said.

It was learned that some officials favor repeal of the ordinance as it is now on the books, and a replacement of the ordinance with a more modified version.

Women of Moose fete chairman

Literary Chapter Night was observed by the Women of the Moose, Chapters 47, at a meeting held at the Moose Lodge, when Mary Parker, library committee chairman, was reelected as the senior regents station and accorded special recognition.

She introduced her committee and expressed thanks for their hard work.

Senior Regent Verne Von Nida conducted the meeting.

Members agreed to \$100 towards the purchase of a new television for the Lodge Room.

Letters were read from the sunshine children at Moosewood, by Mrs. Von Nida.

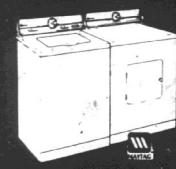

Members discussed the next business meeting night from Wednesday to Monday, Nov. 22, for a past regents dinner with the business session following.

Mrs. Von Nida reported a district breakfast is scheduled for Sunday, Nov. 28, and all members are requested to

attend the program.

A social hour was held with 43 members attending and prizes were won by Pat Lipscomb, Rosella Mead and Edna Lamb.

Swine flu topic of Retired Persons

Charles Hendricks of the Illinois Department of Health, addressed the Granite City Chapter 1396 of the American Association of Retired Persons, Inc., and answered questions relative to the swine flu immunization program. He explained the various kinds of flu epidemics and stressed the need for vaccines to avert an epidemic this winter.

Hendricks introduced Mrs. Kit Stahlhut of the Civil Defense office, who is working with the chapter in enlisting volunteers to assist. She said clinics will be open in Venice for two days; Madison for two days and in Granite City for five days and residents may

visit any of the clinics for the inoculation. Dates will be announced later. At the regular business session reports were given by Grace Range, Charles Kelly and Georgia Butler. Clara Schillinge reported that there are 346 members to date, and introduced Eva Brady a new member. Elma Hoover reported on a meeting previously scheduled to be held through the Southwestern Illinois Area Agency on Aging to provide legal help for seniors. She also said that the Tax-Adviser program will be in action later in January and the IRS does not have the materials available for training sessions for counselors until the middle of January. She also said she

Steelworker VP candidate plans to speak here Friday

Marvin Weinstock, a candidate for vice-president of the United Steelworkers of America, will appear at a press conference at the District 34 Steelworkers for Sadowski office at 4011 Lee St., Madison, at 10 a.m. Friday.

Weinstock is a supporter and running mate of Ed Sadowski, a candidate for president of the USWA, the largest union in the AFL-CIO.

Sadowski, of Chicago, is a district director and a critic of

the I. W. Abel administration. Abel supports Lloyd McBride, formerly of the Granite City office, for international president.

Weinstock will discuss "the importance of this election to the trade union movement" and speak of his "determination of challenging the entrenched official family." Already, irregularities have occurred in the election process. Ed Sadowski received a mail-in against the union's top three officers for "dirty tricks" used in illegally blocking his campaign. In July, Sadowski was supporting a shot in Houston, Texas, while distributing Sadowski literature.

Supporters of Hank Dale, a candidate for president of the St. Louis-based District 34, will also be present. McBride is backing Buddy Davis for the district post.

Tabernacle choir
cantata Sunday

The Tri-City Park Tabernacle
Choir will present "My
People" Sunday at 7 p.m. at the
Tabernacle, 2501 Clark Ave.

The program will be
presented under the direction of
the minister of music, Rev.
Donald Stratton, with special
assistance by Mrs. Dennis
Woodruff, Mr. and Mrs. Dave
Belmar and Mr. and Mrs. Jim
Calaway. Jim Calaway said the public is
invited to attend.

NOTICE

To Whom It May Concern
I. J. C. COCHRANE, have
terminated my association
with Sam Wolf and have
desolved the Cochran-
Wolf Agency. Therefore I
am no longer responsible
or liable for said agency.

M. AND MRS. LEE SUMMERS—2632 Iowa St. will celebrate their golden wedding anniversary from 5 p.m. Sunday at a reception to be held in the Kolinona Center, 24th Street and Madison Avenue.

HOLIDAY HAIR. Soft curls and elegant hair ornaments will work together to add coiffure splendor to the December 1976 holiday season, according to local hairdressers and the 64,000-member Hairdressers and Cosmetologists Association.

90 area residents attend World Community Day

Mrs. Margaret Pennell, president of the women who attended the Church Women United World Community Day celebration at St. Margaret Mary Church.

Using the theme, "I am the Way, the Truth and the Light," the program participants one by one discussed various areas of service within the Quad City area and safety some of the needs of the community.

Mrs. Lois Lester, the first speaker, recalled with historical accuracy the founding of the City of Venice, Mrs. Anna Wood of Granite City, a sister of Mrs. Summers. Friends, relatives and neighbors are invited to attend according to the hosts.

Mrs. Frankie Griggs and Mrs. Dorothy Lilewski followed with a review of the present day status of the community, spiritual, educational services, describing in detail the work done at the Venice Technical Center and the all encompassing special education programs which serve the Venice, Madison, and Granite City school districts.

The Rev. Lawrence Barr, associate pastor of Tri-City Park Tabernacle, reviewed the SCAT program which he is establishing in the area. An acronym for "Special Citizens Against the Tramps," the organization is designed to "help the helpless," according to Rev. Barr.

The SCAT program will be carried out by volunteers who will assist the aged in such areas as home maintenance, health care, craft education,

recreation, and transportation.

Rev. Barr stressed the need for spiritual, physical and financial assistance in his program. Those in need of help or wishing to volunteer their services may call 931-4500 for more information.

Mrs. Pam Peters and Mrs. Geneva Mercer discussed the value of women working together as a unit to achieve goals not otherwise realized.

The Nearly New Clothing Center and the many possible through caring and sharing, the reach out to the individual to give him or her pride and dignity.

The women of Venice have given much of their time and money to make this a reality," Mrs. Mercer stated.

The Rev. Barr said the program was provided by Sister Mary Therese at the organization and by four members of the Southern Illinois University Champaign, Cindy Johnson, Terry Rogers, Mrs. David Pickett, and Steve Coggeshall.

Prayers and scripture readings were offered by Mrs. Venetta Johnson, Mrs. Sharri Rush, General chairman of World Community Day, and by Father Edward Groesch, host pastor, and Sister Margaret Monica, principal of St. Margaret Mary Church.

Mrs. Pennell accepted the "Soles for Souls" offering from the guests present.

Refreshments were served after the observance by the Altar Society of the host church.

Refridgerations were served at the home of the host church.

Later in the evening the group were served refreshments at the Bob Ashcraft's home in Belleville.

Beta Eta chapter of The Delta Kappa Gamma Society held its monthly meeting during the weekend at Holiday Inn in Carbondale, Ill., with approximately 70 women leaders from Madison County in attendance.

A special executive board meeting was conducted by Mrs. Virginia Oram, president, with the year's accomplishments and plans being discussed in detail by the first vice president from the Illinois state organization, Mrs. Joan Kalbahn of Normal.

The talking board program available through the Lewis and Clark Library System was discussed. This program is geared to the visually handicapped or those who are physically unable to hold a book. Members were advised to look into the program for persons eligible because of the great delight handicapped persons receive from this source, it was announced.

Mrs. Vivian Dine reported that the professional affairs committee, the planning group, and services committee, and the research committee are working together to study teaching methods. This subject is being promoted through various agencies in addition to the Delta Kappa Gamma Society. They will approach the matter through a brief general questionnaire leading to more specific questionnaires later in the year.

Mrs. Valerie Stevens presented the legislative committee's report. In the absence of Mrs. Marguerite Connole, Mrs. Stevens, who is state music chairman, announced that the Delta Eta Chapter are involved in the preparation of a 20-minute musical program for the Illinois State Fair to be held in March in St. Louis. She asked for members to strive toward composing some new songs for the organization.

Mrs. Nancy Rainey reported the plan auction held at the September meeting was a

success and the group has almost met its local two-year goal for the World Fellowship Fund.

Mrs. Gladys Page asked for clippings and items of interest for the chapter's scrapbook and the year's accomplishments will be printed in the issue of the early history of Granite City.

Mr. Howard Engelke presented a brief report on the policies that have been adopted by the group. She also spoke of her resolution to the enthusiastic reception of the Illinois state organization, Mrs. Joan Kalbahn of Normal.

Mrs. Hilda Koenig added the collection of various products was to help a kidney machine patient that a local teacher, Miss Evelyn Ritz, now teaching on an Indian Reservation in the Dakotas, had been contacted about the needs of the Indian families in her area. The group is to be in contact with the Mental Health organization for the Mental Health organization. Participation in the volunteer work for the swine vaccination program was also urged.

Mrs. Josephine O'Neill, state second vice-president, and a chapter member, announced that the salad recipe booklet will be ready for sale after Christmas. Profits from this project will go into national projects. The president, Mrs. Oram, advised the group that she had submitted the necessary forms to nominate Mrs. O'Neill for the state presidency, the election to be held at the March convention in St. Louis.

From the local area, Mrs. Mefford and Mrs.

Mr. and Mrs. Lee Summers to mark 50th anniversary

Mrs. and Mrs. Lee (Faye) Summers, 2632 Iowa St., will be honored at a reception on the anniversary of their 50th wedding anniversary, from 2 to 5 p.m. Sunday at the Kolinona Center, 24th Street and Madison Avenue.

The couple married Nov. 26, 1918 in Jerseyville, Ill. and moved to Granite City in April 1928. Mr. Summers was an employee of Union Starch and Refining Co. for 40 years prior

to his retirement in 1968. They are the parents of also have four grandchildren, Carl, Vicki, Kyle, Lee, Mark, Vicki and Van Clark and three great-grandchildren.

The event will be hosted by their son, Carl, and his wife, Mrs. Barbara Wood of Granite City, a sister of Mrs. Summers. Friends, relatives and neighbors are invited to attend according to the hosts.

SAVE-A-LIFE PROGRAM, sponsored by the Quad-City Church Women United to be presented at 6 p.m. on Nov. 30 at St. Elizabeth Catholic Church parish hall, being discussed by Mrs. Dorothy Rivenburgh, a planning committee member with Steve Missey, who will instruct the program.

Reservations due for Save-A-Life Program

Reservations for the Church Women United Save-A-Life program to be presented at 6 p.m. on Nov. 30 at St. Elizabeth Catholic Church parish hall will be accepted at 452-1133 and 451-9104 until Nov. 22, according to Mrs. Maire Gordon, chairman.

Pre-registration is necessary to determine the number of instructors to carry out the program. One and a half hours for every ten participants, it was noted.

Steve Missey, of the Illinois Heart Association and an EMT, and a Respiratory Coordinator for the state of Illinois, will present a four hour course of instruction in Cardiopulmonary Resuscitation

and in the Heimlich method of aiding choking victims.

Families with children above the grade school level are urged to attend the instruction and child care facilities will be provided for the youngsters too young to participate in the program.

Sponsored by Quad-City Church Women United the program is being offered free of charge for the laying of emergency life-saving techniques to be used until professional help is available to a victim who is in a position of difficulty.

Music and singing will play an important role in Refreshing.

In addition to congregational singing two handbell choirs, "The Joyful Sound" and "The Ringing Ringers" will sing "Brethren We Have Met to Worship" and "Come, Ye Thankful People, Come". The Music Makers (3-3 graders) will

provide quality control.

Harvest Tea attracts 400

The third annual Harvest Tea sponsored by the Silver Seas Senior Citizen Club, held at the Venice Recreation Center this week, attracted over 400 members and guests.

Tables were arranged to form the letter H and T and were decorated in keeping with the last four months of the year. The September table was centered with a small tree, flags and bouquets of fall flowers. October featured pumpkins, autumn flowers and Indian corn. November was planned around the corn of plenty which was filled with a variety of foods for a Thanksgiving feast and December was followed by the Christmas holiday with a decorated tree, pinsettias and candles.

Suspended above the December table was Christmas wreath, bells and an angel. Autumn leaves and cornstalks were used on the walls and windows.

James Young served as master of ceremonies and the Rev. F. J. Johnson offered the opening prayer followed by the church's choir singing three selections. The incoming address was by W. M. Griggs and Bonnie Terrell and Queenie Dozer sang solo. Mrs. Howlett gave a reading entitled "Are You Thankful?"

Guest speaker for the afternoon was Carl Officer of East St. Louis and during the social hour, Lorin Thompson of St. Louis provided a program of guitar music.

Hilda James was the commentator for the style section and Rev. G. C. Bostick, Hill, Julia Leonard, Shirley Guest, Pearl Jackson.

Roosevelt Hale and James Gifts to the eldest members attending went to Claud Jones, Irene Turner and Eva Stinson.

A display of handcraft items made by the members was arranged by Irene Verner and Lloyd King took movies throughout the day.

Mari Guest, president of the club and Gertrude Young was general chairwoman for the fall project.

Mrs. Kostecki shower honoree

A baby shower was given in honor of Mrs. John and Mrs. Kostecki at the Madison Fireman's Hall, by relatives. Decorations followed a pink, blue, green and yellow motif.

A buffet dinner was served after the games were played and prizes awarded to the winners.

Assisting the honoree in opening gifts were her sister, Gaby Wargin and sister-in-law Mrs. Larry Eaves.

Guests presented included the guest of honor's mother, Mrs. Mrs. Ursine Kostecki and grandmother Mrs. Evelyn Eaves and also Doris Clark, Frances Wargin, Mary Pozzani, Mary Mullen, Ellen Scrum, Vickie and Tina Skundrich, Grace Hamilton, McDavid, Ann Kowalewski, Bernice O'Neil, Jane Myatt, Sally Maers, Julia Gerbaci, Stephanie Gerbaci, Mary Cromer, Miriam, Carolyn and Elizabeth Gandy, Carol, Katherine Davis, Clara Trivogich, Donna, Chris and Mary Jenkins, Diana Belcoff, Evelyn and Kitty Jackson, Judy Goeller, Linda, Sherry Rodgers, Pauline Rodgers.

Am vet Auxiliary plan parties

Mrs. Trudy McGowan, president of the Amvet Auxiliary Post 51, announced the Christmas party will be at 6 p.m. Sunday, Dec. 12, for all Amvet and Auxiliary members, during a meeting held last Saturday.

She also reported that Commander Leo Clements served the children's holiday party will be at 2 p.m. on Sunday, Dec. 19 (featuring Santa Claus who will distribute candy and gifts to the youngsters).

The pledge of allegiance was led by Sharyl Young, Americanism chairman, and the program was offered by Chaplain Jackie Petras.

Junior vice-president, Melba Manning, reported books were purchased for the woman who is losing her hearing, to take a course at Southern Illinois University at Edwardsville. She added she is working on a project to collect Christmas gifts for patients at Madison County Nursing Home and Shelter Care.

The evening prize was won by Mrs. McGowan and refreshments were served.

Confidence that Dr. Kenneth Shaw can effectively lead university here to new heights of service and achievement

University trustees opted for youth, educational expertise and knowledge of Madison County in designating Kenneth A. "Buzz" Shaw as new president of Southern Illinois University at Edwardsville.

At the age of 37, Dr. Shaw, who recently was named in Edwardsville was able to meet all the criteria—principally, kind and successful service in a high administrative position at a university offering both undergraduate and graduate programs. His personal characteristics and ability to relate to people at all levels also figured prominently.

Vice-president and dean of the university at Towson State, Baltimore, Dr. Shaw won an immediate, warm response Tuesday by voicing his hope that "SIUE can become a model for institutions of its kind in the United States."

He sees it as becoming "a model not only in terms of its outstanding teaching, research and community service, but also in terms of how it governs itself—it works in obtaining its goals—in an open, direct and humane way."

While an objective of "making SIUE the best of its kind in the country" will not be easily attainable, the new president will bring to the position awareness of the multi-

level governing and financing structure—and of the strengths and weaknesses of the local university's role as a school "nearly autonomous but with a complicated set of checks and balances."

Dr. Shaw is optimistic that this already fine institution will become even better in the years to come. "He hopes to work with the various campus constituencies to 'articulate the university's needs, set priorities and manage our resources in such a way that the best job is done with the money available."

Recognizing that the primary mission is to serve the needs of the community, he feels it "provides a good education so our students can become leaders in the future—each learning basic communication skills, numeracy, understanding of our heritage, and the like, so that graduates have knowledge but also know how to think."

There is widespread hope and confidence that Dr. Shaw will succeed in continuing and improving the diverse university functions and services that have meant so much to Southwestern Illinois. As he notes, SIUE is "one of the most important developments in this region since the opening of the Eads Bridge more than 100 years ago."

While an objective of "making the best of its kind in the country" will not be easily attainable, the new president will bring to the position awareness of the multi-

Aging Alton locks vital to exports, balance of payments

Guest comment by the American Waterways Operators—Despite major breakthroughs at an important locking facility and low-water conditions on the Mississippi, the nation's barge and towing industry is moving a greater-than-normal share of this year's record export grain.

Out of the more than 94 million bushels of grain for export inspected by the Department of Agriculture on all river systems this year, ending Oct. 22, the barge industry moved over 37 million bushels of that total.

Barges have carried more than 921 million bushels of grain from mid-March. That compares with 686 million bushels for the same time last year, and represents more than a 34 per cent increase.

While the barge industry has always taken a large share of grain, the perennial shortage of railroad cars means that barges are moving some grain to repair closings at Locks 26 before the river opens again and decides to proceed with replacement of the deteriorating facility at Alton.

We wonder how many more times the Corps of Engineers and the waterways industry will have to go through costly repair closings at Locks 26 before the river opens again and decides to proceed with replacement of the deteriorating facility at Alton.

The time and money involved ultimately affect all consumers.

Single-parent families similar, yet different

By DARLENE HEER
Madison County Associate Head Economics Advisor

Being single parents is not the same needs are no more true of single-parent families than two-parent families. Even though such families have many common problems, there are many differences, too.

One should be aware of the dangers of stereotyping all single-parent families.

The care needs of children, the capabilities of the single parent, the effects of the loss of the spouse and parent on these individuals involved discourage stereotyping.

The reasons why a person might choose a single-parent role may, in themselves, lead to some basic differences.

For example, with divorce, the system may help by spending the financial, legal and freedom-to-marry assets. While there may be relief in making decisions without conflict, there may be difficulty for the parent separated from the children.

In contrast, the decision to pull out is usually made by the parent alone. It appears to be unplanned, resulting in more severe financial problems, psychological upset and a lack of freedom to marry.

Marital separations are assumed to be by mutual consent. Except for not fearing separation, partnership and remarry, separations are similar to divorces.

After a spouse's death, the remaining single parent has the advantage of having the attitudes from others. There is more social support for managing problems.

In contrast, the unmarried mother carries the burden of negative public attitude toward a public welfare recipient. Her chance for a later successful marriage may be more questionable.

Unmarried-parent adoptions have been successes, according to recent publicity. The motive for adoption may be questionable, but there seems to be more

family support and improved public approval as success becomes obvious.

Family-only families are most likely to have problems with the physical care of preschool children and the tasks of household management.

Even though single-parent families face many common problems, the differences in the situations and the individuals involved discourage stereotyping.

The dinner cost is \$3, and \$2 are due for the 1977 members.

The Title VII pilot team staff of the Granite High School has Grades 7-12 this school year to job sites and other places of interest as part of the project's overall attempt to expand students' awareness and broaden their interests.

Since Sept. 30, groups have gone to Rexall Drugs, Lewis-Hawke Supply, American Cakemix, Missouri Museum and Archeological Site, and St. Louis Public Library.

Qualified pupils have been going toward showing the steps by which products are prepared for the consumer and people at work in a variety of jobs a spoken tour.

Groups have been accompanied by their classroom teachers and by representatives of the pilot staff.

Upon return students are asked to help evaluate the experience in order to help determine present and future emphasis in their education and in encouraging students to stay in school and work to the maximum of their ability, the spokesman noted.

Marital separations are assumed to be by mutual consent. Except for not fearing separation, partnership and remarry, separations are similar to divorces.

After a spouse's death, the remaining single parent has the advantage of having the attitudes from others. There is more social support for managing problems.

In contrast, the unmarried mother carries the burden of negative public attitude toward a public welfare recipient. Her chance for a later successful marriage may be more questionable.

Unmarried-parent adoptions have been successes, according to recent publicity. The motive for adoption may be questionable, but there seems to be more

GLEN CARBON LUTHERAN CHURCH IS ORGANIZED

A new Lutheran congregation began its first service Sunday at 10 a.m. The first service will be conducted at the Glen Carbon Elementary School on Birger Street.

Conducted by the service will be the Rev. Dr. Herman Neunaber, who was elected Nov. 13 as the first president of the Great Rivers Synod of the new Assemblies of Evangelical Lutheran churches.

Dr. Neunaber was born in Minnesota and graduated from Concordia Seminary, St. Louis, in 1944. He served as pastor of Grace Lutheran Church, Freeport, Tex., Trinity Lutheran Church, Corpus Christi, Tex., and Zion Lutheran Church, Beloit, Wis., from 1967 until August 1976 he was president of the Southern Illinois District of the Lutheran Church.

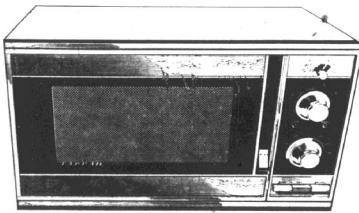

Graduates have been accompanied by their classroom teachers and by representatives of the pilot staff.

Upon return students are asked to help evaluate the experience in order to help determine present and future emphasis in their education and in encouraging students to stay in school and work to the maximum of their ability, the spokesman noted.

This TAPPAN Microwave Oven Has The Browner Built In—Not Thrown In.

We won't give you a browning dish with this Microwave Oven. Because you won't need it. You can throw away your separate built-in browner instead. So you can brown casseroles and cakes—and even broil chicken and steaks. We think this Tappan has the best browning system you can buy.

- Built-in browner
- Selector control — defrosts, simmers, browns, roasts, keeps warm
- Dual timing system for accurate timing of any food
- Full-size, stay-cool oven
- Saves time, energy, money

Harvest over, yield is lower

By RON HINES
Columnist
Agricultural Advisor

Madison County farmers are to be commended for their harvest efforts this fall. At this date in November, we can state that the 1976 grain crop in Madison County is virtually complete. And the planting of the winter wheat crop is rapidly being completed.

Fall tillage operations also are off to an excellent start. Although Madison County is considered a marginal area by the state for growing winter wheat, fall tillage benefit in increased crop production, many farmers use the fall season to chop crop residue and thus allow more time for early planting in the spring.

To summarize our fall harvest, tillage operations in winter wheat planting are progressing well. The yield was sent each week to about 90 Madison County farmers, who then relayed the information back to our office. These farmers have been averaging a yield of 54½ bushels per acre.

There are 10 participants in the X-Tra Yield Soybean competition.

Average yield of the X-Tra Yield Soybeans was 48½ bushels per acre compared to a county average of 75 bushels per acre; average yield for X-Tra Yield Soybeans was 48½ bushels per acre compared to a county average of 27.

Mark Givillo of East Alton will be the county representative for regional competition in the X-Tra Yield demonstration and scholarship phases.

last month, Madison County farmers report yields of about 30 per cent on corn, 25 per cent on early planted soybeans and as high as 70 to 100 per cent on the double-crop or late planted soybeans.

High yield situations will certainly increase the pressure that the Madison County farmer feels as a result of increased production costs and lower grain prices.

Mary Henke of rural Staunton and the DeCamp Miners 4-H Club had the highest 4-H yield in the state for 1976. Eugene Givillo, Jr. of rural Fosterburg and the Fosterburg Ag 4-H Club had the highest yielding soybeans, 54½ bushels per acre. There are 10 participants in the X-Tra Yield Soybean competition.

Average yield of the X-Tra Yield Soybeans was 48½ bushels per acre compared to a county average of 75 bushels per acre; average yield for X-Tra Yield Soybeans was 48½ bushels per acre compared to a county average of 27.

Mark Givillo of East Alton will be the county representative for regional competition in the X-Tra Yield demonstration and scholarship phases.

Writing to the reality of the Baptism of The Holy Spirit for today's Believers (Acta 19:1-6)

WHAT MAKES US DIFFERENT?
1. We have discovered that the Baptism of the Holy Spirit according to John 7:37-39 and Acts 19:6 is a vital New Testament experience for believers today.
2. We have discovered that the Redemptive work of Christ according to Matthew 8:17 and Peter 2:24 deserves healing for the body.

Open I-64 tomorrow

The Illinois Department of Transportation has decided that the final segment of Interstate 64 in East St. Louis, which connects with I-55, 70, will be opened to traffic on Friday. The new route is now complete across the width of Illinois.

Westbound traffic on I-64 will be restricted at the connection point with I-55, 70 due to the necessity of maintaining traffic while completing alternate pavement lanes.

This restriction will be eliminated as approximately 100 yards after the opening when all lanes of westbound I-64 will be available to traffic.

During this time, a marked detour will be maintained to provide connections for motorists desiring to go east on I-55, 70.

The route was selected by the town center of H. H. Hill Construction Co. and Lahr Brothers, Inc., under a contract with the department for \$11,056,396.

Southern Illinois University at Edwardsville has approved an "across the board" increase of 10 cents per hour for all student workers at the University. The pay raise will become effective Dec. 1 and will be reflected in the checks received by students on Jan. 21.

Effective Jan. 1, 1970, the new federal minimum wage for student workers at SIUE will be \$2.20.

Joe Camille, coordinator of student work in the Office of Student Activities and Financial Assistance, said approximately 1,500 students will be affected by the increase.

Students are employed in almost every university unit, working as janitors, custodians and file clerks serving in other clerical positions, as well as holding such positions as food service workers, librarian aids and audio-visual technicians.

North dance on Saturday

"Topaz" will furnish the music Saturday for a dance from 7 p.m. to 10 p.m. in the Granite City High School North cafeteria sponsored by the North Student Council.

Students from South are welcome, according to a North spokesman.

School identification cards will be required and the cost is \$1.50 a person.

Royal Ranger gets top rating

Marty Bobb of Royal Ranger Buckaroo Outpost 73 at the Tri-City Park Tabernacle has received his top hand rating, according to Commander Jerry Meinenberg.

The rating is the highest four in the Royal Rangers, starting with greenie and advancing through warmer and ranger ride. The Buckaroo post is for boys 7 to 8 years old.

Young Bobb is the first to achieve the top rating to Outpost 73 and will advance to the Pioneer Outpost on his birthday in December, Meinenberg said.

LECTURE ON ECKANKAR

The Greater St. Louis Satang Society is sponsoring a free introductory lecture and film on Eckankar, "the path to spiritual awareness," to be presented by Mr. and Mrs. Paul Rill of Colorado Springs, Colo., Friday, Nov. 26th, at 7:30 p.m. at the Tri-City Area YMCA, 2001 Edison Ave.

MARMADUKE'S POKER PARTY depicts a comic book dog, after an argument with his master, leaving home and spending a wild evening playing poker with his master. Standing from left are: Tammy Ambush, Val Dewese, Stan Layer, Judy Horbelt, Jim Byrd and Ray Jones. Kneeling are: Alan Huff, left, and Tammy Luchini. The skit is one of several to be performed by Granite City High School North students Friday at 8 in the South auditorium.

Widen pass-no credit grading

The pass-no credit grading option at SIUE will be modified effective with the winter quarter to allow a maximum of 25 percent of credit under the option, but it extends the application of the grading option to courses outside the General Studies program.

For example, the grading system permitted 27 hours of credit but was limited to General Studies courses.

The option, which was recommended by the University Senate, specify that credit in courses for which the grade is "pass" will not ordinarily be accepted by an academic institution.

An evaluation of the pass-no credit grading option was conducted by the Senate in February. The evaluation has been completed, and a copy was furnished to the SIU board. The evaluation concludes that the grading option is meeting its intended goals and is supported by students.

 Independence with quality
 craftsmanship and tradition.

In commemoration of the United States' 1976 Bicentennial, SK Products Corp. has created this unique Early American rocker.

Featuring an exclusively designed screen printed Bicentennial pattern, this Limited Edition rocker will prove to be a treasured heirloom for years to come.

In addition to the nation's 200th birthday, the Bicentennial features the same quality craftsmanship and sturdy design found in the original Early American furniture of Colonial times.

TOTAL SATISFACTION GUARANTEE

Everything you buy at Kroger is
guaranteed for your total satisfaction
regardless of manufacturer. If you
are not satisfied, Kroger will replace
your item with the same brand or a
comparable brand or refund your
money.

We also guarantee that we will do everything in
our power to have the supplies of all adver-
tised specials on our shelves when you shop for
them. If, due to conditions beyond our control,
we run out of an advertised special, we will sub-
stitute the same item in a comparable brand
(when such an item is available) reflecting the
same savings or, if you prefer, give you a "RAIN
CHECK" which entitles you to the same ad-
vertised special at the same special price any
time within 30 days.
